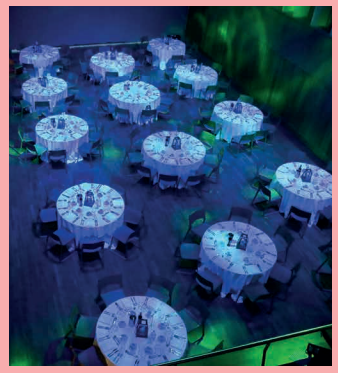
Where Elegant, Sustainable Events Don't Cost the Earth

Have you been planning a party or event but, *for some reason*, it hasn't happened yet?

Here at Storey's Field Centre we host a wide range of events; from anniversaries and birthdays to weddings and mehndi parties; from rock concerts and charity fundraisers to product launches or AGMs; training sessions to away days and pretty much everything else inbetween.



Hosting your event at our award winning venue - where sustainability is designed into the fabric of the Centre - means that it won't cost the Earth to put your event on here.

The Centre is really well equipped with its own staging, PA, theatre lights, screens and projectors. We are fully licensed for entertainments and we run a great bar stocked with local craft beers and ales.

With well over 100 years of event experience between them, our team can help to bring your ideas to life, so why not get in touch to talk it through. It might be easier than you think to have that party you've been meaning to sort out since the first lockdown.
