

Storey's Field Centre

Elegant, sustainable events
that don't cost the earth

"This is an example of the very best in British architectural design"
RIBA Stirling Prize Shortlist 2018 Judges Citation

Storey's Field Centre is a landmark community building in Eddington, a newly developed district in the north west of Cambridge, just 1.5 miles from the City Centre. We hope that you will discover us using sustainable transport. The Centre connects to major cycle ways and we have plenty of cycle parking.

Eddington is on the Universal Bus route (www.go-whippet.co.uk) which runs to the train station every 15 minutes. We are also on the Stagecoach Citi 4 route to Madingley Road or the Citi 5 to Huntingdon Road.

If you are arriving by car, we are on a triangle of land between Huntingdon Road, M11 and A14. You can park for free at the Madingley Road Park & Ride 5 minutes' walk away from the Centre. Three disabled parking spaces are just a few metres from the door. There are load in doors for equipment which lead straight into the hall, all on one level.

Event Team

The Event Team will support you from the initial meeting until your last guest departs, to ensure you experience a seamless and high-quality event. Our event staff will ensure the rooms are arranged to your specification in advance of your arrival. They will help with all the technical arrangements from a single microphone and a Power Point display to a full hybrid-conference streaming service with dedicated technicians. Our event team will ensure your event looks and sounds effortlessly professional.

Foyer

17m x 7m

A large, bright café style area greets you on arrival. Complete with a designer reception desk that doubles as a box office for delegate check-in and picture hanging system for exhibitions or information displays. The foyer with its elegant tables and chairs on English marble, is the perfect space for your attendees to mingle and network. The foyer is served by the adjoining kitchen and bar.

Main hall

18m x 10m

Ideal for conferences, presentations, talks, product launches and lectures, the main hall can host 180 theatre style, 140 for a formal dinner, 120 cabaret, 80 board room or 60 for socially distanced events.

A modern, triple-height space, the main hall is not only pleasing to the eye but also purposefully designed for acoustics and air circulation. The hall benefits from a Passivent system which works naturally through convection to remove warm stale air upwards, drawn away through vents on the roof to be replaced by air cooled in the labyrinth beneath the hall.

The hall's unique acoustics can be altered using motorised sound banners to reduce the natural reverb in the room from over two seconds for classical or choral events to under half a second for spoken word or rock gigs. The hall has a large 10m screen and laser projector, excellent Meyer sound system, theatrical lights on motorised lighting bars to ensure that all our events look as amazing as they sound. The hall has a sprung wooden floor and comes complete with staging, hearing loop, translation devices, lectern, microphones, flip charts, tables and chairs.

Studio

9.5m x 9m

The studio has its own stunning private outdoor courtyard, accessed via floor to ceiling sliding windows which offer an inside outside feel and is great for natural air circulation. The space can be hired as part of conference package to use as a breakout space or hired individually for medium sized meetings. It has a picture hanging system for public information displays, LCD projector, 5m screen, public address system and microphones. The double-height studio can seat up to 75 theatre style, 50 classroom style, and up to 40 board room style. It is also an ideal space for teambuilding classes, away days and workshops.

Meeting room

6m x 5m

A light, airy and versatile space, this room is ideal for smaller meetings, training sessions, classes and one-to-ones. The Meeting Room can be hired as part of conference package to use as a breakout space or hired on its own. It has a wall-mounted TV, PA and microphones. The Meeting Room also has access to a beautifully planted outdoor space. Seating up to 30 theatre style, 20 in a classroom, cabaret or board room.

Catering

Storey's Field Centre work closely with Kota from Hyatt Centric and other local caterers to provide food especially tailored for your event. Whether you require a formal sit-down banquet, hot or cold buffets, barbeque, a gourmet treat or a simple sandwich lunch we can help to source the best catering solution for your event, whatever your budget.

Accommodation

The stunning Hyatt Centric Hotel is just opposite the Centre. Contact them directly for details.

Accessibility

Storey's Field Centre is on one level from the three on-street disabled parking spaces to the door and throughout the building. We have hearing loops in each room. We welcome carers and assistance dogs. Please contact the office for more information or to discuss your needs before your visit.
